INTRODUCTION

First Supports is an Internationally leading HR, Trading & Logistics supplying agency headquartered in Kuwait with branches in India, Egypt & Philippine. We have been working in the referred field achieving client's satisfaction for over 6 years.

We are managed by professionals, senior civil servants, technocrats, engineering & human resources staff to assure providing our clients with our best service, meeting their needs within their targeted budget & time frame.

"CHAIRMAN'S MESSAGE"

First Supports General Trading & Contracting Co. established in Kuwait in 2006 to participate in the growth of the development projects in state of Kuwait as well as the Gulf area.

Providing smart trading, HR, & logistics solutions to nourish the growing demand in the oil & gas business sector as well as commercial sector for qualified manpower; logistics services and material supplies of different types for construction; maintenance & Turn Around/Shut down projects.

First Supports was successfully opened with the aim to ease recruitment fleet management while ensuring cost efficient and cost effective solutions.

Due to the valued trust our clients put in our company, we were able to secure over 20,000 qualified candidates to engineering, contracting & oil sector companies. Which encourage us to widen our range of services to cover hospitality, defense & health corporate needs in the Middle East.

VISION STATEMENT:

First Supports will become the best regional provider of value-added services to our customers.

MISSION:

By utilizing Knowledge, Technology and Development, we will provide most efficient and cost effective recruitment; trading & logistics solutions.

"VALUES & BELIEFS"

We believe customer satisfaction is first and foremost.

We believe we must meet our commitments.

We believe it takes sustained great performance to be a great company.

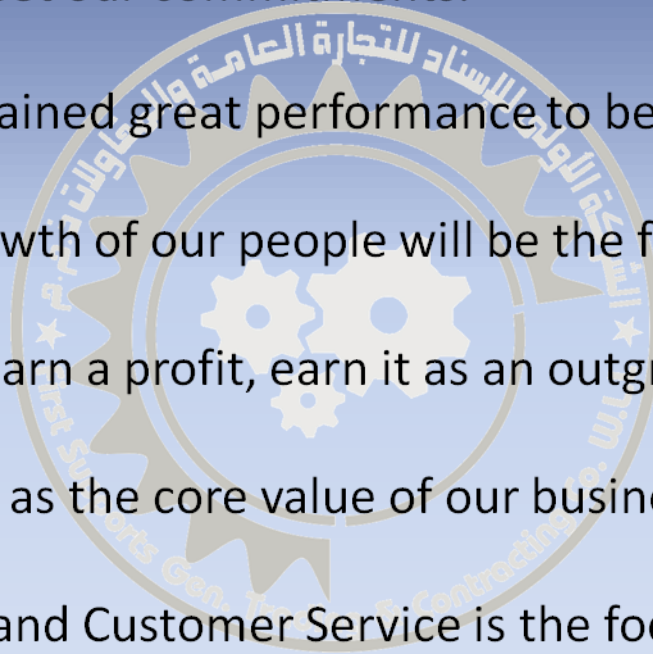

We believe that the growth of our people will be the future of our company.

We believe we should earn a profit, earn it as an outgrowth of performance.

We consider our clients as the core value of our business.

The Quality of Product and Customer Service is the focus of our business.

We value our people and we are dedicated to their development.

QUALITY POLICY

To be the recognized center of excellence for recruitment & logistics solutions that ensure First Supports Gen. Trading & Contracting Co. complete client targets by designing and providing the best market-based recruitment solutions that are completely inline with client requirements while believing in continuous self improvement.

CORE VALUES

Our Core Values are defined by the 4 C's:

Collaboration – Collaborating with clients and job seekers to match and deliver the best.

Commitment – Commitment to provide the best possible service and other initiatives that impacts the functioning of clients and lives of job seekers.

Consistency – Be consistent in always providing the best possible solutions to both, client and job seekers.

Community – A sense of responsibility and contribution to society that define our existence.

EXPERIENCE

Our management team has extensive experience in recruitment, as they have been actively involved in recruiting more than 20,000 personnel of various categories in their role as Senior Management. More than 25 years experience of our Management teams ensures that the recruited manpower meets the quality requirement of various projects and clients while also ensuring the cost effectiveness of each and every project. Our Management has received special appreciation from various clients in ensuring the successful and speedy execution of requirements.
